SAPPHIRE COMMUNITY WEB PORTAL

The Sapphire Community Web Portal (CWP) allows parents to access their child's grades, attendance, bus route information, discipline, teacher comments, report cards, transcripts, graduation progress, and important documents. All documents are stored in an easy-to-access electronic "file cabinet."

Creating a New Parent Account

First time parents (new to the district) will need to create an account. Parents with existing accounts for other students enrolled in the district need to add their incoming Kindergartener under the **CWP preferences**.

1. To create an account, navigate to the following link:
<https://casdonline-sapphire.k12system.com/CommunityWebPortal/Welcome.cfm>
2. Click **Apply for a Sapphire Community Portal account**.
3. Under Keyword, type **casd**.
4. Read and agree to the policy page.
