Attendance

Why is it important? When your child is tardy or absent from school, we will need a note within 3 days of the absence. Please email a photo of the doctor's note, complete the information in [this link](#), or use our [QR Code](#) to complete an online attendance note. Also, here's the link to our [educational trip form](#).

We have one more very important request. Please provide an extra mask or two for your student in the event it is needed. Extra masks may be kept in their book bag. Thank you in advance for your assistance with this! As always if you have any questions, please do not hesitate to contact me. I'm happy to help you.
