SECTION 2. The Board of this School District expresses its finding that it is in the best financial interests of this School District to sell the Bonds at private sale upon invited bidding and determines that the debt to be incurred pursuant to this Resolution shall be nonelectoral debt.

SECTION 3. The Project is authorized and permitted under Section 8241(b)(1) of the Act. A brief description of the Project is set forth in the preamble hereof. The capital project or projects financed or refinanced by the 2008 Bonds has or have a remaining useful life of at least 21 years.

The bid security, if any, accompanying the Proposal shall be held and shall be applied as provided by the Act; Provided, however, that no allowance for interest shall be made by this School District with respect to such bid security, except as provided by the Act.

SECTION 5. The Bonds, when issued, will be general obligation bonds of this School District.

SECTION 6. The Bonds shall be issuable as fully registered bonds, without coupons, in denominations of \$5,000 principal amount or any integral multiple thereof, and shall be dated as of the date of delivery. The Bonds shall bear interest from the interest payment date next preceding the date of registration and authentication of such Bond, unless: (a) such Bond is registered and authenticated as of an interest payment date, in which event such Bond shall bear interest from said interest payment date; or (b) such Bond is registered and authenticated after a Record Date (hereinafter defined) and before the next succeeding interest payment date, in which event such Bond shall bear interest from such interest payment date; or (c) such Bond is registered and authenticated on or prior to the Record Date next preceding September 1, 2013, in which event such Bond shall bear interest from the date of delivery of the Bonds; or (d) as shown by the records of the Paying Agent, interest on such Bond shall be in default, in which event such Bond shall bear interest from the date to which interest was last paid on such Bond. Interest on each of the Bonds shall be payable initially on September 1, 2013 and thereafter semiannually on March 1 and September 1 of each year, until the principal sum hereof is paid. Except as to distinguishing numbers, denominations, interest rates and maturity dates, the Bonds and the Paying Agent's certificates of authentication shall be substantially in the forms and shall be of the tenor and purport hereinafter set forth, with insertions and variations (including CUSIP numbers) approved by the Paying Agent, as may be appropriate for different denominations and maturity dates.

Principal, premium, if any, and interest with respect to the Bonds shall be payable in lawful money of the United States of America. The principal of and premium, if any, on the Bonds shall be payable to the registered owners thereof or their transferees, upon presentation and surrender of the Bonds at the place or places set forth in the Bonds. Payment of interest on the Bonds shall be made by check mailed to the registered owners thereof whose names and addresses appear at the close of business on the fifteenth (15th) day next preceding each interest payment date (the "Record Date") on the registration books maintained by the Paying Agent on behalf of this School

District, irrespective of any transfer or exchange of any Bonds subsequent to the Record Date and prior to such interest payment date, unless this School District shall be in default in payment of interest due on such interest payment date. In the event of any such default, such defaulted interest shall be payable to the persons in whose names the Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Paying Agent on behalf of this School District to the registered owners of the Bonds not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing.

If the date for payment of the principal of or interest on any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized or required by law or executive order to close, then the date for payment of such principal or interest shall be the next succeeding day that is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are so authorized or required to close, and payment on such date shall have the same force and effect as if made on the nominal date established for such payment.

SECTION 7. Registration of the transfer of ownership of Bonds shall be made upon surrender of any of the Bonds to the Paying Agent, at its designated corporate trust office, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner thereof or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of any of the Bonds in the registration books and shall authenticate and deliver, at the earliest practicable time, in the name of the transferee or transferees, a new fully registered Bond or Bonds of authorized denominations of the same series, maturity and interest rate for the aggregate principal amount that the registered owner is entitled to receive. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same series, maturity and interest rate.

SECTION 8. This School District and the Paying Agent shall not be required to register the transfer of or exchange any of the Bonds then considered for redemption during the period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of such Bonds to be redeemed and ending at the close of business on the day of mailing of the notice of redemption, as hereinafter provided, or to register the transfer of or exchange any portion of any of the Bonds selected for redemption in whole or in part until after the redemption date.

SECTION 9. This School District and the Paying Agent may deem and treat the persons in whose names the Bonds shall be registered as the absolute owners thereof for all purposes, whether such Bonds shall be overdue or not, and payment of the principal of, premium, if any, and interest on the Bonds shall be made only to or upon the order of the registered owners thereof or their legal representatives, but registration of a transfer of ownership may be made as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon Bonds, to the extent of the sum or sums so paid, and neither this School District nor the Paying Agent shall be affected by any notice to the contrary.

SECTION 10. This School District shall cause to be kept, and the Paying Agent shall keep, at the corporate trust office, books for the registration, exchange and transfer of Bonds in the manner provided herein and therein so long as Bonds shall remain outstanding. Such registrations, exchanges and transfers shall be made without charge to bondholders, except for actual costs, including postage, insurance and any taxes or other governmental charges required to be paid with respect to the same.

SECTION 11. The Bonds shall be numbered consecutively, as issued, without regard to denomination or maturity, and shall bear interest at the rates per annum and shall mature on the dates and in the amounts as set forth in **Exhibit “A”** attached hereto and made part hereof.

SECTION 12. The Bonds stated to mature on or after March 1, 2019, shall be subject to redemption prior to maturity, at the option of this School District, as a whole or, from time to time, in part, in any order of maturities selected by this School District, on September 1, 2018, or on any date thereafter, upon payment of the principal amount redeemed, together with accrued interest to the date fixed for redemption. If less than all Bonds of any particular maturity are to be redeemed, the Bonds of such maturity to be redeemed shall be drawn by lot by the Paying Agent.

The Bonds stated to mature on March 1, 2018, on March 1, 2023, and on March 1, 2029 (the “Term Bonds”), are subject to mandatory redemption prior to stated maturity, on the date(s) and in the principal amount(s) as set forth in the following schedules, as drawn by lot by the Paying Agent on behalf of this School District:

Bonds Stated to Mature on March 1, 2018:

<u>Date</u>	<u>Principal Amount</u>
March 1, 2014	\$5,000
March 1, 2015	\$5,000
March 1, 2016	\$5,000
March 1, 2017	\$5,000;

Bonds Stated to Mature on March 1, 2023:

<u>Date</u>	<u>Principal Amount</u>
March 1, 2019	\$5,000
March 1, 2020	\$5,000
March 1, 2021	\$5,000
March 1, 2022	\$5,000;

Bonds Stated to Mature on March 1, 2029:

<u>Date</u>	<u>Principal Amount</u>
March 1, 2024	\$5,000
March 1, 2025	\$5,000
March 1, 2026	\$5,000
March 1, 2027	\$5,000
March 1, 2028	\$5,000.

Any such redemption shall be upon application of money available for the purpose in the Mandatory Sinking Fund established in Section 18 and shall be upon payment of the principal amount to be redeemed, together with accrued interest thereon to the date fixed for redemption. In lieu of such mandatory redemption, the Paying Agent, on behalf of this School District, may purchase from money in the Sinking Fund, at a price not to exceed the principal amount plus accrued interest, or this School District may tender to the Paying Agent, all or part of the Term Bonds subject to being drawn for redemption on any such date.

In the case of any partial redemption of Bonds of any maturity that is subject to mandatory sinking fund redemption, this School District shall be entitled to designate whether the amount to be redeemed shall be credited against the principal amount of such Bonds due at maturity or credited against the principal amount of such Bonds scheduled to be called for mandatory sinking fund redemption on any particular date or dates, in each case in an integral multiple of \$5,000 principal amount.

If any of the Bonds is of a denomination larger than \$5,000, a portion of such bond may be redeemed, but such bond shall be redeemed only in \$5,000 principal amount or any integral multiple thereof. For the purpose of selecting any of the Bonds for redemption, each of the Bonds subject to redemption shall be treated as representing the number of Bonds that is equal to the principal amount thereof divided by \$5,000, each \$5,000 portion thereof being subject to redemption. In the case of partial redemption of any of the Bonds, payment of the redemption price will be made only upon surrender of such bond in exchange for Bonds of authorized denominations of the same series, maturity and interest rate and in aggregate principal amount equal to the unredeemed portion of the principal amount thereof.

Notice of redemption shall be deposited in first class mail not less than thirty (30) days prior to the date fixed for redemption and shall be addressed to the registered owners of the Bonds to be redeemed at their addresses shown on the registration books kept by the Paying Agent as of the day such Bonds are selected for redemption. Such notice shall specify: (1) the series, maturity and numbers of the Bonds or portions thereof so called for redemption; (2) the date fixed for redemption; (3) the redemption price or prices applicable to the Bonds or portions thereof to be redeemed; and (4) that on the date fixed for redemption the principal amount to be redeemed will be payable at the principal corporate trust office or other designated office of the Paying Agent and that after such date interest thereon shall cease to accrue. Failure to mail any such notice or any defect therein or in the mailing thereof shall not affect the validity of any proceeding for redemption of other Bonds so called for redemption as to which proper notice has been given.

On the date designated for redemption, notice having been provided as aforesaid, and money for payment of the principal, premium, if any, and accrued interest being held by the Paying Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof so called for redemption shall cease to be entitled to any benefit or security under this Resolution, and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect thereto, except to receive payment of the principal to be redeemed and accrued interest thereon to the date fixed for redemption, together with the redemption premium, if any.

If at the time of mailing of a notice of redemption the School District shall not have deposited with the Paying Agent, as sinking fund depository, money sufficient to redeem all Bonds called for redemption, the notice of redemption shall state that it is conditional, *i.e.*, that it is subject to the deposit of sufficient redemption money with the Paying Agent not later than the opening of business on the redemption date, and such notice shall be of no effect unless such money is so deposited. If the Bonds to be called for redemption shall have been refunded, money sufficient to redeem such Bonds shall be deemed to be on deposit with the Paying Agent for the purposes of this Section, and the notice of redemption need not state that it is conditional, if the redemption money has been deposited irrevocably with another bank or bank and trust company which shall have been given irrevocable instructions to transfer the same to the Paying Agent not later than the opening of business on the redemption date.

If the redemption date for any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized or required by law or executive order to close, then the date for payment of the principal, premium, if any, and interest upon such redemption shall be the next succeeding day that is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized or required to close, and payment on such date shall have the same force and effect as if made on the nominal date of redemption.

SECTION 13. This School District appoints the Paying Agent as the paying agent with respect to the Bonds and directs that the principal of, premium, if any, and interest on the Bonds shall be payable at the designated corporate trust office of the Paying Agent, in lawful money of the United States of America.

SECTION 14. The form of the Bonds, including the form of Assignment and the form of the Paying Agent's Certificate, shall be substantially as set forth in **Exhibit "B"**, which is attached hereto and made part hereof, with appropriate insertions, omissions and variations.

SECTION 15. The Bonds shall be executed in the name of and on behalf of this School District by the actual or facsimile signature of the President or Vice President of the Board of this School District, and the official seal or a facsimile thereof, of this School District shall be affixed thereto and the actual or facsimile signature of the Secretary or Assistant Secretary of the Board of this School District shall be affixed thereto in attestation thereof; and said officers are authorized to execute and to attest the Bonds.

SECTION 16. No Bond constituting one of the Bonds shall be entitled to any benefit under this Resolution nor shall it be valid, obligatory or enforceable for any purpose until such Bond shall have been registered and authenticated by the Certificate of Authentication endorsed thereon duly signed by the Paying Agent; and the Paying Agent is authorized to register and authenticate the Bonds, in accordance with the provisions hereof.

SECTION 17. This School District covenants to and with registered owners, from time to time, of the Bonds that shall be outstanding, from time to time, pursuant to this Resolution, that this School District: (i) shall include the amount of the debt service on the Bonds, for each fiscal year of this School District in which such sums are payable, in its budget for that year, (ii) shall appropriate such amounts from its general revenues for the payment of such debt service, and (iii) shall duly and punctually pay or cause to be paid from its Sinking Fund (hereinafter identified)

or any other of its revenues or funds the principal of and interest on each of the Bonds at the dates and place and in the manner stated therein, according to the true intent and meaning thereof; and, for such budgeting, appropriation and payment, this School District shall and does pledge, irrevocably, its full faith, credit and taxing power. As provided in the Act, the foregoing covenant of this School District shall be specifically enforceable.

SECTION 18. A. There is created, pursuant to Section 8221 of the Act, a sinking fund for the Bonds, to be known as “Sinking Fund - General Obligation Bonds, Series of 2013” (the “Sinking Fund”), which Sinking Fund shall be administered in accordance with applicable provisions of the Act.

B. There is created, within and as a part of the Sinking Fund, a separate fund or account, designated as the “Mandatory Sinking Fund”, which shall consist of deposits made therein by the Paying Agent, as the sinking fund depository, from the Sinking Fund, as provided in the next succeeding paragraph of this Section, for application to the payment upon stated maturity of the Term Bonds that shall be outstanding, if any, on their stated maturity date, and to mandatory redemption prior to stated maturity of the Term Bonds as provided in this Section.

The Paying Agent, as the sinking fund depository, shall deposit into the Mandatory Sinking Fund, for the benefit of the Term Bonds, from money deposited in the Sinking Fund by this School District, the following amounts at the following times:

This School District and the Paying Agent covenant that the Paying Agent, on January 15, 2014-2017, 2019-2022 and 2024-2028, or so long as any Term Bonds shall remain outstanding, or as soon after such date as shall suit the convenience of the Paying Agent and shall allow sufficient time for mailing of the requisite notice of redemption, as provided for in Section 12, shall select or draw, by lot, in a fair and equitable manner, for redemption on the following March 1, a principal amount of the respective Term Bonds equal to the amount then required to be deposited into the Mandatory Sinking Fund as set forth in this Section. The Paying Agent shall, upon selection of Term Bonds so to be called for redemption prior to maturity, mail the requisite notice of redemption on behalf of this School District. This School District covenants to assume and to pay all costs and expenses related to the mandatory redemption of such Term Bonds.

The amount required to be deposited in the Mandatory Sinking Fund hereunder, on any given date, shall be reduced by the principal amount of any Term Bonds that shall have been purchased or tendered in lieu of mandatory redemption in the immediately preceding period, as provided in Section 12 hereof.

The principal amount of Term Bonds to be retired from money available in the Mandatory Sinking Fund shall be paid by the Paying Agent, as the sinking fund depository, in the usual and customary manner, from such money available in the Mandatory Sinking Fund.

SECTION 19. This School District appoints the Paying Agent as the sinking fund depository with respect to the Sinking Fund.

SECTION 20. This School District covenants to make payments out of the Sinking Fund, or out of any other of its revenues or funds, at such times and in such annual amounts, as shall be sufficient for prompt and full payment of all obligations of the Bonds when due.

SECTION 21. The President or Vice President and the Secretary or Assistant Secretary, respectively, of the Board of this School District, which shall include their duly qualified successors in office, if applicable, are authorized and directed, as required, necessary and/or appropriate: (a) to prepare, to certify and to file with the Department the debt statement required by Section 8110 of the Act; (b) to prepare and to file with the Department any statements required by the Act that are necessary to qualify all or any portion of the debt of this School District that is subject to exclusion as self-liquidating or subsidized debt for exclusion from the appropriate debt limit of this School District as self-liquidating or subsidized debt; (c) to prepare and to file the application with the Department, together with a complete and accurate transcript of the proceedings for the required approval relating to the debt, of which debt the Bonds, upon issue, will be evidence, as required by Section 8111 of the Act; (d) to pay or to cause to be paid to the Department all proper filing fees required in connection with the foregoing; and (e) to take other required, necessary and/or appropriate action.

The Board of this School District authorizes and directs that an appropriate borrowing base certificate be prepared for filing with the Department as required by Section 8110 of the Act. The President or Vice President and the Secretary or Assistant Secretary of the Board of this School District are hereby authorized to prepare and to execute, or to authorize the auditors of this School District to prepare and to execute, such borrowing base certificate.

SECTION 22. If applicable, as determined from the Proposal, the Board of this School District authorizes and directs the purchase of municipal bond guaranty insurance with respect to the Bonds. Proper officers of this School District are authorized and directed to take all required, necessary and/or appropriate action with respect to such insurance, as contemplated in the Proposal, including the payment of the premium for such insurance.

SECTION 23. The President or Vice President and the Secretary or Assistant Secretary, respectively, of the Board of this School District are authorized and directed to contract with the Paying Agent for its services as paying agent and as sinking fund depository in connection with the Sinking Fund, with respect to the Bonds.

SECTION 24. It is declared that the debt to be incurred hereby, together with any other indebtedness of this School District, is not in excess of any limitation imposed by the Act upon the incurring of debt by this School District.

SECTION 25. The Board of this School District, hereby approves the Preliminary Official Statement in the form presented at this meeting and authorizes the President or Vice President of this Board to approve an Official Statement with respect to the Bonds of this School District substantially in the form and with the content of such Preliminary Official Statement, but with such insertions and amendments as shall be necessary or appropriate to reflect the final terms and provisions of the Bonds, the accepted Proposal and this Resolution. Such authorized officer of the Board shall evidence his or her approval of the Official Statement by affixing his or her signature thereto as such officer, and such execution of the Official Statement by such officer shall constitute conclusive evidence of the approval of the Official Statement by such officer on behalf of this Board of this School District.

SECTION 26. Proper officials of this School District are authorized and directed to deliver the Bonds and to authorize payment of all costs and expenses associated with issuance of the Bonds as provided for in the Proposal, but only after the Department has certified its approval pursuant to Section 8204 of the Act or at such time when the filing authorized to be submitted to the Department pursuant to the Act or at such time when the filing authorized to be submitted to the Department pursuant to the Act shall be deemed to have been approved pursuant to Section 8206 of the Act.

SECTION 27. This School District covenants to and with purchasers of the Bonds that it will make no use of the proceeds of the Bonds, or of any other obligations deemed to be part of the same "issue" as the Bonds under applicable federal tax regulations, that will cause the Bonds to be or become "arbitrage bonds" within the meaning of Section 103(b)(2) and Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations implementing said Sections that duly have been published in the Federal Register or any other regulations implementing said Sections, and this School District further covenants to comply with all other requirements of the Code if and to the extent applicable to maintain continuously the Federal income tax exemption of interest on the Bonds.

This School District further covenants to and with purchasers of the Bonds that it will make no use of the proceeds of the Bonds, of the proceeds of any other obligations deemed to be part of the same "issue" as the Bonds under applicable federal tax regulations, or of any property or

facilities financed with the proceeds of the Bonds or of any such other obligations deemed to be part of the same “issue” as the Bonds, that will cause the Bonds to be or become “private activity bonds” within the meaning of Section 141 of the Code and the regulations implementing said Sections that duly have been published in the Federal Register, and this School District further covenants to comply with all other requirements of the Code if and to the extent applicable to maintain continuously the Federal income tax exemption of interest on the Bonds.

This School District determines that it does not reasonably expect to issue tax-exempt obligations that, together with all tax-exempt obligations reasonably expected to be issued by all entities that issue bonds on behalf of this School District and all “subordinate entities” (within the meaning of Section 265(b)(3)(E) of the Code) of this School District, in the aggregate, will exceed Ten Million Dollars (\$10,000,000) during the 2013 calendar year (excluding obligations issued to refund (other than to advance refund) any obligation to the extent that the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligation) and, accordingly, hereby designates the Bonds (to the extent they are not “deemed designated” under Section 265(b)(3)(D)(ii) of the Code) as “qualified tax-exempt obligations,” as defined in Section 265(b)(3)(B) of the Code, for the purposes and effect contemplated by Section 265 of the Code.

SECTION 28. The 2008 Bonds to be refunded by the Bonds are all of the remaining 2008 Bonds stated to mature on and after March 1, 2014 (the “Refunded 2008 Bonds”). The date fixed for redemption of said outstanding 2008 Bonds shall be on September 1, 2013, and the School District hereby elects to exercise its option to redeem the 2008 Bonds on such date, subject, however, to consummation of the sale of the Bonds on or prior to such date.

Such redemption of the 2008 Bonds shall be accomplished in the manner, upon terms and conditions and with the effect provided in the 2008 Bonds, the 2008 Bonds Enabling Resolution. Appropriate officers of the Board of this School District are hereby authorized and directed to instruct Manufacturers and Traders Trust Company (the “Escrow Agent”), or its successor, as paying agent and registrar for the 2008 Bonds, to issue a proper, conditional notice of redemption to effect the redemption of the 2008 Bonds, on such date.

If applicable, this School District, simultaneously with delivery of the Bonds, shall enter into a bond retirement agreement or an escrow agreement (the “Bond Retirement Agreement”) with the Escrow Agent, acting as escrow agent for the Refunded Bonds. The Bond Retirement Agreement shall provide for a deposit of Bond proceeds into one or more escrow accounts with the Escrow Agent sufficient to pay the debt service due on the Refunded Bonds through the applicable Redemption Date. The President or Vice President and the Secretary or Assistant Secretary, respectively, of the Board of this School District are authorized and directed to execute, to attest, and to seal, as appropriate, and to deliver such Bond Retirement Agreement simultaneously with such delivery of the Bonds. The School District approves the Bond Retirement Agreement in form satisfactory to the Solicitor and Bond Counsel for this School District and as shall be approved by the officers of the Board of this School District executing the same. Such approval of such officers shall be conclusively presumed to have been given by their execution of the Bond Retirement Agreement.

The officers and agents of this School District are hereby authorized and directed to take all such actions as may be necessary and appropriate to accomplish the redemption and retirement of the Refunded Bonds.

SECTION 29. If applicable, the President, the Vice President, the Treasurer or the Business Manager of this School District is each hereby authorized and directed to execute and deliver agreements, orders or subscriptions for purchase of United States Treasury Certificates of Indebtedness, Notes or Bonds, State and Local Government Series (“SLGS”), other securities of the United States of America or other investments satisfying the requirements of 53 Pa.C.S. §8250, as described in the Refunding Report, from the proceeds of the Bonds and, if applicable, other funds to be deposited under the Bond Retirement Agreement, and to do, to take and to authorize such other acts as shall be necessary or appropriate to provide for retirement of the payment of principal and interest on the Refunded Bonds as described in the Refunding Report and this Resolution.

SECTION 30. The Secretary of the Board of this School District is hereby authorized and directed to execute and to submit to the Pennsylvania Department of Education, promptly following settlement for the Bonds, the appropriate application and other documents and information necessary to obtain state reimbursement with respect to the debt service on the Bonds (including the filing of the appropriate PLANCON Parts, as applicable).

SECTION 31. This School District shall enter into, and hereby authorizes and directs the President or Vice President of the Board of this School District to execute a Continuing Disclosure Certificate (the “Certificate”) on behalf of this School District on or before the date of issuance and delivery of the Bonds to the Purchaser. Such Certificate shall be executed and delivered to satisfy the terms and conditions of the accepted Proposal for sale of the Bonds and Securities and Exchange Commission Rule 15c2-12, and shall be substantially in the form presented to this meeting, which is hereby approved, together with any changes therein made and approved by the executing officer of the Board of this School District, whose execution and delivery thereof shall constitute conclusive evidence of such approval. A copy of the Certificate shall be filed with the Secretary of the Board of this School District and shall be and hereby is made part of this Resolution.

This School District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Certificate. Notwithstanding any other provision of this Resolution, failure of this School District to comply with the Certificate shall not be considered an event of default with respect to the Bonds; however, any registered owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause this School District to comply with its obligations under this Section and such Certificate.

SECTION 32. The Bonds may be made available for purchase under a book-entry only system available through The Depository Trust Company, a New York corporation (“DTC”). If applicable, at or prior to settlement for the Bonds, this School District and the Paying Agent shall execute or signify their approval of a Representation Letter in substantially the form on file with the Secretary of the School District (the “Representation Letter”). The appropriate officers of this School District and the Paying Agent shall take such action as may be necessary from time to time

to comply with the terms and provisions of the Representation Letter, and any successor paying agent for the Bonds, in its written acceptance of its duties under this Resolution, shall agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

SECTION 33. Notwithstanding the foregoing provisions of this Resolution, the Bonds shall initially be issued in the form of one fully-registered Bond for the aggregate principal amount of the Bonds of each maturity, and the following provisions shall apply with respect to the registration, transfer and payment of the Bonds:

(a) Except as provided in subparagraph (g) below, all of the Bonds shall be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds of the same series, interest rate and maturity registered in the name of such nominee or nominees of DTC.

(b) No person other than DTC or its nominee shall be entitled to receive from this School District or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof, unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the registration books (the "Register") maintained by the Paying Agent in connection with discontinuing the book-entry only system as provided in subparagraph (g) below or otherwise.

(c) So long as any Bonds are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds shall be made to DTC or its nominee in accordance with the Representation Letter on the dates provided for such payments under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of this School District or the Paying Agent with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Paying Agent shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Paying Agent, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(d) This School District and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to holders of Bonds under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken

by holders of Bonds and for all other purposes whatsoever; and neither this School District nor the Paying Agent shall be affected by any notice to the contrary. Neither this School District nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being a registered owner of Bonds, with respect to (1) the Bonds, (2) the accuracy of any records maintained by DTC or any such participant, (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds, (4) any notice which is permitted or required to be given to holders of the Bonds under this Resolution, (5) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds, and (6) any consent given or other action taken by DTC as holder of the Bonds.

(e) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the holders of such Bonds under this Resolution shall be given to DTC as provided in the Representation Letter.

(f) In connection with any notice or other communication to be provided to holders of Bonds pursuant to this Resolution by this School District or the Paying Agent with respect to any consent or other action to be taken by holders of Bonds, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that this School District or the Paying Agent may establish a special record date for such consent or other action. This School District or the Paying Agent shall give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(g) The book-entry only system for registration of the ownership of the Bonds may be discontinued at any time if either (1) after notice to this School District and the Paying Agent, DTC determines to resign as securities depository for the Bonds, or (2) after notice to DTC and the Paying Agent, this School District determines that continuation of the system of book-entry only transfers through DTC (or through a successor securities depository) is not in the best interests of this School District. In either of such events (unless in the case described in clause (2) above, this School District appoints a successor securities depository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of this School District or the Paying Agent for the accuracy of such designation. Whenever DTC requests this School District and the Paying Agent to do so, this School District and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

SECTION 34. Any reference in this Resolution to an officer or member of the Board of this School District shall be deemed to refer to his or her duly qualified successor in office, if applicable.

SECTION 35. This Resolution shall be effective in accordance with the Act.

SECTION 36. In the event any provision, section, sentence, clause or part of this Resolution shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Resolution, it being the intent of this School District that such remainder shall be and shall remain in full force and effect.

SECTION 37. All resolutions or parts of resolutions, insofar as the same shall be inconsistent herewith, shall be and the same expressly are repealed.

DULY ADOPTED, by the Board of this School District, in lawful session duly assembled, this 24th day of April, 2013.

Interest on this Bond shall be payable from the interest payment date next preceding the date of

registration and authentication of this Bond, unless: (a) this Bond is registered and authenticated as of an interest payment date, in which event this Bond shall bear interest from such interest payment date; or (b) this Bond is registered and authenticated after a Record Date (hereinafter defined) and before the next succeeding interest payment date, in which event this Bond shall bear interest from such interest payment date; or (c) this Bond is registered and authenticated on or prior to the Record Date next preceding September 1, 2013, in which event this Bond shall bear interest from the date of delivery of the Bonds; or (d) as shown by the records of the Paying Agent (hereinafter defined), interest on this Bond shall be in default, in which event this Bond shall bear interest from the date to which interest was last paid on this Bond. The interest on this Bond is payable by check drawn on Manufacturers and Traders Trust Company (the "Paying Agent"), or its successor. The principal of and premium, if any, on this Bond, when due, are payable upon surrender hereof at the designated corporate trust office of the Paying Agent. Payment of the interest hereon shall be made to the registered owner hereof whose name and address shall appear, at the close of business on the fifteenth (15th) day next preceding each interest payment date (the "Record Date"), on the registration books maintained by the Paying Agent, irrespective of any transfer or exchange of this Bond subsequent to such Record Date and prior to such interest payment date, unless the Issuer shall be in default in payment of interest due on such interest payment date. In the event of any such default, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Paying Agent to the registered owner of this Bond not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the person in whose name this Bond is registered at the close of business on the fifth (5th) day preceding the date of mailing. Principal, premium, if any, and interest with respect to this Bond are payable in lawful money of the United States of America.

This Bond is one of a series of Bonds of the Issuer, known generally as "General Obligation Bonds, Series of 2013" (the "Bonds"), all of like date and tenor, except as to numbers, denominations, dates of maturity, rates of interest, and provisions for redemption, in the aggregate principal amount of Nine Million Nine Hundred Twenty-five Thousand Dollars (\$9,925,000).

The Bonds have been authorized for issuance in accordance with provisions of the Local Government Unit Debt Act, 53 Pa.C.S. Chs. 80-82 (the "Act"), of the Commonwealth, and by virtue of a duly adopted resolution (the "Resolution") of the Issuer. The Act, as such shall have been in effect when the Bonds were authorized, and the Resolution shall constitute a contract between the Issuer and registered owners, from time to time, of the Bonds.

The Issuer has covenanted, in the Resolution, to and with registered owners, from time to time, of the Bonds that shall be outstanding, from time to time, pursuant to the Resolution, that the Issuer shall: (i) include the amount of the debt service for the Bonds, for each fiscal year of the Issuer in which such sums are payable, in its budget for that year, (ii) appropriate such amounts from its general revenues for the payment of such debt service, and (iii) duly and punctually pay or cause to be paid, from the sinking fund established under the Resolution or any other of its revenues or funds, the principal of and interest on each of the Bonds at the dates and place and in the manner stated therein, according to the true intent and meaning thereof; and, for such

budgeting, appropriation and payment, the Issuer has pledged and does pledge, irrevocably, its full faith, credit and taxing power.

This Bond shall not be entitled to any benefit under the Resolution, nor shall it be valid, obligatory or enforceable for any purpose, until this Bond shall have been authenticated by the Paying Agent.

The Bonds are issuable only in the form of registered Bonds, without coupons, in the denominations of \$5,000 principal amount or any integral multiple thereof. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same series, maturity and interest rate upon surrender of such Bonds to the Paying Agent, with written instructions satisfactory to the Paying Agent.

The Issuer and the Paying Agent may deem and treat the registered owner hereof as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and the Issuer and the Paying Agent shall not be affected by any notice to the contrary.

This Bond may be transferred by the registered owner hereof upon surrender of this Bond to the Paying Agent, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner of this Bond or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of this Bond in the registration books and shall authenticate and deliver at the earliest practicable time in the name of the transferee or transferees a new fully registered Bond or Bonds of authorized denominations of the same series, maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive.

The Issuer and the Paying Agent shall not be required to issue or to register the transfer of or exchange any Bonds then considered for redemption during a period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day of mailing of the applicable notice of redemption, as hereinafter provided, or to register the transfer of or exchange any portion of any Bond selected for redemption until after the redemption date.

The Bonds stated to mature on or after March 1, 2019, are subject to redemption prior to maturity, at the option of the Issuer, as a whole, or from time to time, in part, in any order of maturity selected by the Issuer, on September 1, 2018, or on any date thereafter. If less than all Bonds of any particular maturity are to be redeemed, the Bonds of such maturity to be redeemed shall be drawn by lot by the Paying Agent. Any such redemption shall be upon payment of the principal amount to be redeemed, together with accrued interest thereon to the date fixed for redemption.

The Bonds stated to mature on March 1, 2018, on March 1, 2023, and on March 1, 2029, are subject to mandatory redemption prior to maturity, in the amounts and on March 1 of the years set forth in the following schedule, as drawn by lot by the Paying Agent in behalf of the Issuer:

Bonds Stated to Mature on March 1, 2018:

<u>Date</u>	<u>Principal Amount</u>
March 1, 2014	\$5,000
March 1, 2015	\$5,000
March 1, 2016	\$5,000
March 1, 2017	\$5,000;

Bonds Stated to Mature on March 1, 2023:

<u>Date</u>	<u>Principal Amount</u>
March 1, 2019	\$5,000
March 1, 2020	\$5,000
March 1, 2021	\$5,000
March 1, 2022	\$5,000;

Bonds Stated to Mature on March 1, 2029:

<u>Date</u>	<u>Principal Amount</u>
March 1, 2024	\$5,000
March 1, 2025	\$5,000
March 1, 2026	\$5,000
March 1, 2027	\$5,000
March 1, 2028	\$5,000.

Any such redemption shall be upon application of money available for the purpose in the Mandatory Sinking Fund established under the Resolution and shall be upon payment of the principal amount to be redeemed, together with accrued interest thereon to the date fixed for redemption. In lieu of such mandatory redemption, the Paying Agent, as sinking fund depository, in behalf of the Issuer, may purchase, from money available for the purpose in the Sinking Fund established under the Resolution, at a price not to exceed the principal amount plus accrued interest, or the Issuer may tender to the Paying Agent, all or part of the Bonds subject to being drawn for redemption in any such year.

In the case of any partial redemption of Bonds of any maturity that is subject to mandatory sinking fund redemption, the Issuer shall be entitled to designate whether the amount to be redeemed shall be credited against the principal amount of such Bonds due at maturity or credited against the principal amount of such Bonds scheduled to be called for mandatory sinking fund redemption on any particular date or dates, in each case in an integral multiple of \$5,000 principal amount.

If this Bond is of a denomination larger than \$5,000, a portion of this Bond may be redeemed. For the purposes of redemption, this Bond shall be treated as representing the number of Bonds that is equal to the principal amount hereof divided by \$5,000, each \$5,000 portion of this Bond being subject to redemption. In the case of partial redemption of this Bond, payment of the redemption price shall be made only upon surrender of this Bond in exchange for Bonds of authorized denominations of the same maturity and interest rate and in aggregate principal amount equal to the unredeemed portion of the principal amount hereof; Provided, however, that should this Bond be registered in the name of The Depository Trust Company (“DTC”) or

Cede & Co., as nominee for DTC, or any other nominee of DTC, or any other successor securities depository or its nominee, this Bond need not be surrendered for payment and exchange in the event of a partial redemption hereof and the records of the Paying Agent shall be conclusive as to the amount of this Bond which shall have been redeemed.

Notice of redemption shall be deposited in first class mail not less than 30 days prior to the date fixed for redemption and shall be addressed to the registered owners of the Bonds to be redeemed at their addresses shown on the registration books kept by the Paying Agent as of the day such Bonds are selected for redemption. Failure to mail any notice of redemption or any defect therein or in the mailing thereof shall not affect the validity of any proceeding for redemption of other Bonds so called for redemption as to which proper notice has been given.

On the date designated for redemption, notice having been provided as aforesaid, and money for payment of the principal, premium, if any, and accrued interest being held by the Paying Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Resolution, and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect thereto, except to receive payment of the principal to be redeemed and accrued interest thereon to the date fixed for redemption, together with the redemption premium, if any.

The Issuer, in the Resolution, has established a sinking fund with the Paying Agent, as the sinking fund depository, into which funds for the payment of the principal of and the interest on the Bonds shall be deposited not later than the date fixed for the disbursement thereof. The Issuer has covenanted, in the Resolution, to make payments from such sinking fund or from any other of its revenues or funds, at such times and in such annual amounts, as shall be sufficient for prompt and full payment of all obligations of this Bond.

It hereby is certified that: (i) all acts, conditions and things required to be done, to happen or to be performed as conditions precedent to and in issuance of this Bond or in creation of the debt of which this Bond is evidence have been done, have happened or have been performed in due and regular form and manner, as required by law; and (ii) the debt represented by this Bond, together with any other indebtedness of the Issuer, is not in excess of any limitation imposed by the Act upon the incurring of debt by the Issuer.

This Bond has been designated by the Issuer as a “qualified tax-exempt obligation”, as defined in Section 265(b)(3)(B) of the Internal revenue Code of 1986, as amended (the “Code”) (to the extent it is not “deemed designated” under Section 265(b)(3)(D)(ii) of the Code), for purposes and effect contemplated by Section 265 of the Code (relating to expenses and interest relating to tax-exempt income of certain financial institutions).

IN WITNESS WHEREOF, the Issuer has caused this Bond to be executed in its name by the manual or facsimile signature of the President or Vice President of the Board of School Directors, and its official seal or facsimile thereof, to be affixed hereto and the manual or facsimile signature of the Secretary or Assistant Secretary of the Board of School Directors to be affixed hereto in attestation thereof, all as of June 3, 2013.
