FAQs

I received an email saying my application was denied, what do I do now?
If your application was denied, it was because the information you submitted doesn't match our records. If you would like to know what exactly didn't match, please email our support. To update your information, please go to your child's school to get the information updated. Once updated, you can apply for an account again and it will be approved.

Should students apply for an account?
Student accounts will be generated upon enrollment. There is no need for students to apply for a Portal account.
