District Energy Update:

We have been tracking our utility consumption/savings since September of 2007. Our most current energy savings for Electric/Natural Gas/Oil for 31 months is:

21.54% of \$1,008,499 along with the Sales Tax returns of \$17,137...

Thanks a Million to all employees for our current savings of \$1,025,636!!! Just in time for Earth Day, our Energy Savings equates to:

Energy Reduction Impact of **41,991 MMBTU's** or **6,464 equiv. Metric Tons of CO2**

This is equal to: **1,160 passenger cars** not driven for one year or
165,336 tree seedlings planted/grown for 10 years
