Coding & Robotics Camp

June 17 – 21
9 a.m. – 3 p.m.
Career Magnet School

- Open to current 6th & 7th grade CASD students
- Instructed by Career Magnet School Students
- Gain experience in coding, robotics and 3D printing

Sign up today!

Dear Families,

Career Magnet School students, with support from the CASD Foundation, are pleased to offer a summer coding and robotics camp for students who will be entering grades 7 and 8 (current 6th and 7th graders).

Here are the details:

• The camp will run from **June 17 - 21 from 9am - 3pm** and will be held at the Career Magnet School (2459 Loop Rd., Chambersburg, PA 17202).

• All CASD students entering grades 7 and 8 in the 2019/2020 school year are eligible to attend. No prior experience is required, and the camp is **free of charge**.

• During the entire week, CMS students under the supervision of Mr. Barnabei, will lead participants through hands-on coding and robotics projects culminating in the design and construction of an original robot. By the end of the week, participant's will gain valuable experience in programing microprocessors, the engineering design process, building simple machines, CAD design, and 3D printing.

• Participants must bring their own lunch, and a refrigerator is available. A half hour for lunch will be given each day along with a brief recess.

• Parents/guardians must provide transportation to and from the camp each day.

• A commitment to attend for the full week is required.

• **Signing up does not guarantee attendance.** Maximum enrollment is 25. If more than 25 apply, preference will first be given to incoming 8th grade students and then a lottery will be enacted. Families will be notified regarding attendance status, and a wait list will be established if necessary. It is our hope that, with the success of this first year, the program can be expanded in subsequent years so that any and all interested students are guaranteed a spot.

• All CASD policies regarding behavior, dress code, and computer usage apply.

• If interested, complete the electronic form below by **April 19, 2019**.

We hope that you will sign up for this exciting opportunity. Please contact Mr. Barnabei at christopher.barnabei@casdonline.org or 717-261-5656 if you have any questions.
