

Section: Narratives - Program Description

INTRODUCTION

Under the Elementary and Secondary School Emergency Relief II Fund (ESSER II), authorized by the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, the Pennsylvania Department of Education (PDE) awards grants to School Districts and Charter Schools to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the state.

Please note: ESSER II funds **cannot** be used for: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the LEAs, or 2) expenditures related to state or local teacher or faculty unions or associations. ESSER II funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

***ESSER II funds are not Title I funds and as such, are not subject to Title I rules.**

Please explain how the LEA will determine its most important educational needs as a result of COVID-19. (3000 characters max)

The District Leadership Team meets regularly to focus on the educational impacts from COVID-19. The Leadership Team in coordination with other District stakeholders created a Continuity of Education Plan that included Chromebooks for all students, laptops for staff, and a Learning Management System. The team held several meetings to select the Learning Management System that best suited the needs of our students and staff. The needs for our District center on education with continuity in the content and curriculum, resources for all students, incorporating eLearning easily for students, being able to teach synchronous or asynchronous, editing capabilities for teachers and communication for parents. The courses have pre-assessments built within to determine the initial knowledge of each student. This will allow the teachers to be able to differentiate the instruction. The District also utilizes data from MAP testing, CDT testing, and information from the Social Emotional Survey.

Please explain the LEA(s) proposed timeline for providing services and assistance to students and staff. (3000 characters max)

The District Administration Team met regularly to determine the most effective way to utilize the grant funds. We have deployed Chromebooks to ensure all K-12 students have access to a device; we are deploying hotspots for those families who due to rural constraints cannot access the internet and for those families who cannot afford the cost of service. Additionally, we have a plans to provide student Enrichment, Remediation and Credit recovery programs during the summer. The District has been providing Professional Development to staff in curriculum design, Google Classroom, and Best practices for Online learning to name a few. Additional trainings will be available over the summer and continue as needed.

Please explain the extent to which the LEA intends to use ESSER II funds to promote remote learning. (3000 characters max)

The District implemented 1:1 initiative and Learning Management System (LMS) to promote remote learning for all students. The initiative required a lot of coordination to plan and prepare for an

implementation of this size. The 1:1 initiative gives students and teachers the ability to conduct instruction in a virtual world and provide equity to all students. The LMS was selected due to the number of courses with resources embedded into the system, which will promote continuity throughout the district from K-12. Teachers are able to modify and create content to coincide with CASD curriculum guidelines. The District will continue to purchase technology needed for remote learning, such as Smartboards, additional Chromebooks, Tracking software, Learning software, and Hot Spots. The funds will be for summer remediation programs and staff training. The District will also utilize ESSER II funds to provide air purifiers, HVAC upgrades, and other building upgrades to help ensure students can remain in the classroom.

Please describe how the LEA intends to assess and address student learning gaps resulting from the disruption in educational services. (3000 characters max)

CASD has deployed a 1:1 initiative providing each student, K-12, with a Chromebook. To support the educational process and to minimize distribution of the educational services to ensure each student receives a free and appropriate education, the District has invested in a Learning Management System (LMS). This system is asynchronous and will allow students to learn remotely should they become victims to COVID or should COVID require the District to halt in person instruction such as that which occurred on March 13th, 2020. Additionally, the District has deployed Social Emotional Learning to address student emotional issues which may impede the educational progress of our students. The teachers use the LMS in conjunction with online assessments to assess and address student learning gaps resulting from the disruption in educational services.

Please describe the LEA(s) proposed procedures for evaluating local COVID-19 impacts in relation to education programming and delivery. (3000 characters max)

Areas of emphasis should include:

- Documenting learning loss associated with extended school closure;
- Outlining the development of local continuity of education plans over the course of emergency response efforts; and
- Detailing supports for vulnerable student populations and families.

As referenced in number 1, the District has allocated precious resources to ensure that all students have the ability to learn remotely through the 1:1 initiative. Additionally, the District is providing “hotspots” to support internet access in some of our remote locations. The District revamped our online cyber option to ensure continuity in the programming to include the use of CASD teachers and the same Learning Management System. The online program, CAVE, Chambersburg Area Virtual Education, is offered to all students/families who are not comfortable returning to in-person instruction due to the ongoing concerns of COVID or for those who prefer the remote learning option. The teachers use the LMS in conjunction with online assessments to assess and address student learning gaps resulting from the disruption in educational services, and we will utilize ESSER II funding to ensure the well-being of our students and staff through the purchase technology, curriculum, and building upgrades.

Please describe the LEA core set of strategies that will be used to guide local investment of ESSER II funding, associated with short-range (i.e., remainder of the 2020-21 school year) and long-range (2021-22 and 2022-2023 school years) timelines. (3000 characters max)

These strategies may entail the establishment, scale-up, refinement, or evaluation of remote learning, as well as strategies for school-based teaching and learning responsive to conditions related to the pandemic. LEAs will be asked to outline how limited, ESSER II funding may support these initiatives and how these funds might interact with other federal funding, including enhanced Title IV flexibility, to ensure strategic and sustainable use of funds.

The Leadership Team meets regularly to focus on district funding, educational needs, and how to provide equity across all students. CASD implemented a one-to-one initiative at the beginning of the 20-21 school year. Throughout the year, the District has utilized information from student and staff surveys and assessment data, which are used to drive District Leadership Team strategies.

Please describe specific plans, measures, and longer-term evaluative strategies concerning student learning gaps - as well as opportunity to learn factors - stemming from COVID-19. (3000 characters max)

CASD will continue to utilize the LMS and the Social Emotional Learning system to evaluate our students' progress. This will be in addition to previously deployed systems such as CDTs, Progress Monitoring and state required testing. We will continue to utilize Intervention Teachers to support those students who are falling behind. We have plans to provide Enrichment, Remediation, Tutoring, and Credit Recovering Programs.

Section: Narratives - Allowable Usage of Funds

ALLOWABLE USAGE OF FUNDS

Check the box before each intended acceptable use classification your LEA is applying to use ESSER II funds to support.

For additional information on cleaning and sanitizing your LEA, please visit the following resources:

[CDC - Disinfectant Decision Tool website](#)

[CDC - Cleaning Guide website](#)

*If your LEA is spending in an area authorized by the ESEA of 1965, please select option (1), then specify which sub-program(s) will be included by selecting from options "A - L".

- (1) Any activity authorized by the ESEA of 1965.
- (1a) Title I, Part A (Improving Basic Programs Operated by LEAs; Section 1003 school improvement)
- (1b) Title I, Part C (Education of Migratory Children)
- (1c) Title I, Part D (Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At Risk)
- (1d) Title II, Part A (Supporting Effective Instruction)
- (1e) Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement)
- (1f) Title IV, Part A (Student Support and Academic Enrichment Grants)
- (1g) Title IV, Part B (21st Century Community Learning Centers)
- (1h) Title V, Part B (Rural and Low-Income School Program)
- (1i) Subtitle B of title VII of the McKinney Vento Homeless Assistance Act
- (1j) The Individuals with Disabilities Education Act ("IDEA")
- (1k) The Adult Education and Family Literacy Act
- (1l) The Carl D. Perkins Career and Technical Education Act of 2006 ("the Perkins Act")
- (2) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.
- (3) Providing principals and others school leaders with the resources necessary to address the needs of their individual schools. See help text for example.
- (4) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.
- (5) Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies. See help text for example.
- (6) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases. (For helpful tips on cleaning and

sanitizing your LEA, please visit CDC's website, links are provided in the question text above.)

****Purchases of Personal Protective Equipment (PPE) are allowable, if not already purchased using ESSER.****

- (7) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.
- (8) Planning for and coordinating during long-term closures, including how to provide meals to eligible students, how to provide technology for online learning to all students, how to provide guidance for carrying out requirements under the IDEA and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.
- (9) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.
- (10) Providing mental health services and supports.
- (11) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.
- (12) Addressing learning loss among students, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care.
- (12a) Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction.
- (12b) Implementing evidence-based activities to meet the comprehensive needs of students.
- (12c) Providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment.
- (12d) Tracking student attendance and improving student engagement in distance education.
- (13) School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- (14) Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.
- (15) Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.

Based on your selections above, please complete the table by identifying categories of usage, and providing a description of how your LEA will utilize the funds. The description has a maximum of 1000 characters.

***For consortium applications, please include a line for each applicable LEA/Usage combination**

LEA Name	Allowable Usage of Funds	Description (1000 max characters)
Chambersburg Area School District	(7) Purchasing supplies to sanitize and clean...	Machines to clean and santize buildings
Chambersburg Area School District	(9) Purchasing educational technology...	Purchasing Smartboards for classroom, Chromebooks for students, Software to promote learning, Chromebook tracking software, Docking Stations for Chromebooks
Chambersburg Area School District	(13) School facility repairs and improvements....	Air Quality improvements - purchase classroom air purifiers
Chambersburg Area School District	(14) Projects to improve the indoor air quality in school facilities...	Update HVAC controls - improve air quality, update windows, roofs, doors, HVAC systems
Chambersburg Area School District	(15) Other activities that are necessary...	Staff Antigen Testing
Chambersburg Area School District	(12) Addressing learning loss among students...	Staff to support summer remediation, after school tutoring, and credit recovery

Section: Narratives - ESSER II Fund Assurances

ESSER II FUND ASSURANCES

LEAs that receive more than \$150,000 in CRRSA Act funds will complete quarterly FFATA reports, including the following data: (LEAs receiving less than \$150,000 please select 'NO')

- The total amount of funds received, the amount spent or obligated for each project or activity,
- A detailed list of all projects or activities supported with CRRSA Act funds including:
 - Name
 - Description
 - Estimated number of jobs created or retained (where applicable)
- Detailed information on subcontracts and subgrantees, including FFATA data elements, as prescribed by OMB.

Yes

LEA will, to the greatest extent practicable, continue to compensate its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with section 315 of Division M of the CRRSA Act. In addition, each entity that accepts funds will continue to pay employees and contractors to the greatest extent practicable based on the unique financial circumstances of the entity. CRRSA Act funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

Yes

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

Records pertaining to the ESSER II Funds, including financial records related to use of grant funds, will be retained separately from those records related to the LEA's use of ESSER Funds.

Yes

LEA maintains inventory records, purchase orders and receipts for equipment (over \$5,000) purchased, Computing Devices, Special Purpose Equipment (\$300 - \$4,999), and will conduct a physical inventory every two years. Please note: Inventory of equipment purchased with federal funds must be broken out by funding source.

Yes

The LEA will comply with all reporting requirements, including those in Section 15011 of the CARES Act and section 313(f) of the Division M of the CRRSA Act and submit required quarterly reports to the SEA at such time and in such manner and containing such information as the SEA may subsequently require.

Project #: FA-200-21-0076
Agency: Chambersburg Area SD
AUN: 112281302
Grant Content Report
Elementary And Secondary School Emergency Relief Fund (ESSER FUND)

The report must provide a detailed accounting of the use of funds, including how the LEA is using funds to measure and address learning loss among students disproportionately affected by coronavirus and school closures, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care. The SEA may require additional reporting in the future. (See also 2 CFR 200.328-200.329).

Yes

Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e).

Yes

To the extent applicable, an LEA will include in its local application a description of how the LEA will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program.

Yes

Section: Narratives - ESSER II Reporting

USES OF FUNDS

LEAs may be required to track the following expenses if they were selected in the Usage of Funds section.

- Purchasing educational technology (including hardware, software, and connectivity), which may include assistive technology or adaptive equipment
- Activities focused specifically to addressing the unique needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth
- Providing mental health supports and services
- Sanitization and minimizing the spread of infectious diseases, including cleaning supplies and staff training to address sanitization and minimizing the spread of infectious diseases
- Summer learning and supplemental afterschool programs
- Other (uses of funds not included above)

I understand that I may have to report on the requirements listed above.

Yes

HOME INTERNET ACCESS

LEAs may be required to report on the types of services provided if funds were spent on home internet access (purchasing educational technology which includes connectivity) for students. Types of services may include any or all of the following:

- Mobile hotspots with paid data plans
- Internet connected devices with paid data plans
- District pays for the cost of home Internet subscription for student
- District provides home Internet access through a district-managed wireless network

I understand that I may have to report on the requirements listed above.

Yes

LEARNING DEVICES

LEAs may be required to report on the number of students that received devices per grade span (elementary vs. secondary) and the proportion based on total enrollment if funds were spent on learning devices for students.

I understand that I may have to report on the requirements listed above.

Yes

STUDENT PARTICIPATION AND ENGAGEMENT

LEAs may be required to report on all methods used to document student participation and engagement during remote learning if funds were used to develop, initiate and/or implement remote learning. Methods may include any or all of the following:

- Submission of assignments
- Participation in assessments
- Tracking student logins to online learning platforms
- Participation in individual coaching or check ins
- Participation in email, text or other electronic communication
- Participation in help lines or hot lines for help with remote learning
- Participation in synchronous online classes
- Other

I understand that I may have to report on the requirements listed above.

Yes

FULL TIME EQUIVALENT POSTIONS (FTE)

LEAs may be required to report the number of full-time equivalent (FTE) positions employed in the LEA. *(The number of FTE positions includes all staff regardless of whether the position is funded by Federal, State, local, or other funds—and equals the sum of the number of full-time positions plus the full-time equivalent of the number of part-time positions.)*

I understand that I may have to report on the requirements listed above.

Yes
