WCM Sign In and Account Settings

Signing In

- Go to User Options - Sign In

- Your username and password will be your district username and password

- From here you can now go back to User Options to access the Site Manager or access your account settings. Please read on to understand account settings.
Account Settings

Account settings allow users to change their subscription status and choose an Avatar if they wish.

- Sign into WCM
- Go to User Options - My Account

From here you can change your subscription status or update your information. You can update your subscriptions if you wish to receive notifications from different websites within our district.
