

Art, Library, Music, and Physical Education BINGO

Read something that is fiction	Draw a magic potion in a bottle. What does it do? You could write a short story to go along with it	Design a roller coaster. Add lots of juicy details!	FREE SPACE	Soda has 39 grams of sugar, do 39 mountain climbers
Read to someone or toys	Sing the same song 5 time in a row	Research a favorite animal, what are 3 interesting facts?	Say your math facts while jogging in place	Sing in the bath or shower
With parent permission, draw along with Art for Kids Hub on YouTube	Read something that is non-fiction	Read or listen to a book	Perform a song for people or toys	Look out your window or go outside if you can. Draw what you see
Take a walk	Help someone with spring cleaning or yard work	Learn a new song	Find a partner and do 20 jumping jacks	Draw what you think your teacher is doing right now
Do as many push-ups and sit-ups as you can	Sing and dance at the same time	Teach someone a new song	Write a short piece about who your favorite literary character is and why	You found a strange egg. Draw the egg and what hatched out
