

Art, Library, Music, and Physical Education BINGO-2nd Edition

Perform squat-jumps while naming the continents.	Practice reading aloud.	Go bird watching! Make sketches of the birds you see and email a picture to Mrs. Toms.	Write about your experiences during this time that we are home.	Write your own story/comic strip.
Find magazines, newspapers, or anything that has printed images or words. Cut out pieces and glue them into a collage. Send a picture to Mrs. Toms.	Hot dogs have 530mg of sodium. Raise the roof 530 times.	Do as many squats as you can.	Using an old container, gather soil and plant flower seeds.	In honor of earth day, find things you would normally throw away around your home and recycle them into art. Take a picture and email it to Mrs. Toms.
Invent a game to try it out.	Pick 5 different muscles to stretch. Hold the stretch for 20 seconds.	Choose a "kitchen band" instrument (pot and spoon drum, pasta box shaker) & play along with a favorite song.	Look up environmental artist Andy Goldsworthy, then go outside and create a work of art inspired by his artwork. Don't forget to take a picture and email it to Mrs. Toms!	Read or listen to a book that is a Caldecott or Newbery award winner.
Name an instrument for each letter in the word MUSIC & each letter in your name.	FREE SPACE	Visit an online art museum. Write down the link and a short description of what you saw and liked. Email it to Mrs. Toms.	Read for at least 20 minutes.	Recorder players (3rd & 4th) practice playing a song using VMM recorders on YouTube.
Search for a song to listen to with an instrument from another country.	What is your favorite book? Why?	Create a new instrument, make it out of objects around your house or draw it.	Go on a texture hunt. Find at least 10 things, write down the name and type of texture.	Use your "kitchen band" instrument and practice playing rhythms with musication on YouTube.
