IMMUNIZATIONS
The Pennsylvania Department of Health requires the following immunizations for school age students:

- Diphtheria/Tetanus
  - 5 doses, one dose after 4th birthday
- Polio
  - 4 doses, one dose after 4th birthday
- MMR
  - 2 doses
- Hepatitis B
  - 3 doses
- Varicella
  - 2 doses OR History of Chicken Pox

Note: It is possible that there could be spacing issues with immunizations even though your child has had the correct number of doses.

Your online Kindergarten Registration should have included your Kindergartener's Immunization Record. If you have updated it since then, please email your child's updated Record of Immunizations to the following email address: kregmeddocs@casdonline.org.

DENTAL SCREENING AND PHYSICAL EXAM
Dental Screenings and Physical Exams are also required for Kindergarteners at the beginning of the school year. Please email the items below to the following email address: kregmeddocs@casdonline.org.

- Completed CASD Dental Examination Form
  - "Mandated Dental Exam K 3-7" in English and Spanish available at: https://www.casdonline.org/domain/43
- Completed Physical Examination Form from your Doctor's Office
